# Code of Ethical Practice

At Amazon Filters we always keep paramount in our minds the importance of advancing our outstanding reputation through our personal integrity, our shared values and through our consistently ethical and honest business conduct. These values include keeping promises, fairness, respect, concern for others and personal accountability. We believe a company is defined by the character and integrity of its people and we work together to serve our customers, to build strong technology and product positions, and to innovate and create.

Our company values are to:

- Act with uncompromising honesty and integrity in everything we do.
- Satisfy our customers with innovative technology and superior quality, value and service.
- Respect our social and physical environment.
- Value and develop our employees' diverse talents, initiative and leadership.
- Earn the admiration of all those who do business with Amazon Filters.
